

PROGRAMME

Smokefree policies in Europe: Are we there yet?

Breakfast Seminar

14 April 2015 | 08:15 – 10:30am | Rue de l'Industrie 24, 1040 Brussels

In order to celebrate the launch of SFP's updated smokefree map, we take a look into whether smokefree policies in the EU are honouring national commitments made under the WHO Framework Convention on Tobacco Control and the 2009 Council Recommendation on Smokefree Environments, with a particular focus on what barriers to comprehensive smokefree policies still exist and what policymakers and civil society can do to address these challenges.
